RATIONALE

Our Lady of the Southern Cross recognises the need for students to engage with ICT resources and that the safe and responsible use of these technologies – including online behaviour – is best taught in partnership with parents and/or guardians.

Our school operates within various policy guidelines that support the rights and expectations of every member of the school community to engage in and promote a safe and inclusive educational environment. This environment includes (but is not limited to) the school's computer network; Personal Electronic Devices that connect to its networks; online applications hosted within a secure environment, as well as online and/or cloud environments outside of the schools secure online environment.

RESPONSIBILITIES

Read and discuss the Student Acceptable Use Policy (modify according to your school) with your child/children.

Ensure your child/children fulfil their responsibilities as outlined in the Student Acceptable Use Policy.

Supervise and monitor the student use of devices when at home, including their Internet use.

Be aware of age restrictions for online websites and applications.

Maintain and update virus protection for devices in your home (to prevent the transfer of viruses)

Keep informed of current initiatives
